WHAT DOES PROPHECY TELL US ABOUT THE DESTRUCTION OF THE CHURCH AND STATE TODAY AS IT RELATES TO END TIME PROPHECY?

Revelation 18 ⌄ King James Version ⌄

18 And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.

2 And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

5 For her sins have reached unto heaven, and God hath remembered her iniquities.

6 Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double.

7 How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow.

8 Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her.

You need to realise that the Scarlet Woman is the Jewish and Roman Orthodox Catholic and Christian Churches (JROCCC) City State in Italy. When Constantine was organising the JROCCC he did it as Rome was falling. He wanted to covertly hide the operations of the State of Rome behind the Church. The JROCCC became a cover for all sorts of evil activities. Behind the White Pope is the Black Pope who operates the States business in cogneto. They are in bed together as they live in luxury wearing the Babylonian colors of red. purple and gold. This tells us that the beliefs they force on the masses are evil and are the source for all the problems suffered by the people.

9 And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning,

10 Standing afar off for the fear of her torment, saying, Alas, alas that great city Babylon, that mighty city! for in one hour is thy judgment come.

11 And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more:

12 The merchandise of gold, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble,

13 And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men.

14 And the fruits that thy soul lusted after are departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all.

15 The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, weeping and wailing,

16 And saying, Alas, alas that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls!

17 For in one hour so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off,

18 And cried when they saw the smoke of her burning, saying, What city is like unto this great city!

19 And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in one hour is she made desolate.

20 Rejoice over her, thou heaven, and ye holy apostles and prophets; for God hath avenged you on her.

21 And a mighty angel took up a stone like a great millstone, and cast it into the sea, saying, Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all.

22 And the voice of harpers, and musicians, and of pipers, and trumpeters, shall be heard no more at all in thee; and no craftsman, of whatsoever craft he be, shall be found any more in thee; and the sound of a millstone shall be heard no more at all in thee;

23 And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived.

24 And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.

The phrase originates from the Book of Daniel in the Bible. In it, Daniel interprets a dream of King Nebuchadnezzar of Babylon. In that dream, a magnificent statue is seen with a head of gold, but weaker and less valuable metals beneath, until finally having feet of clay mixed with iron.

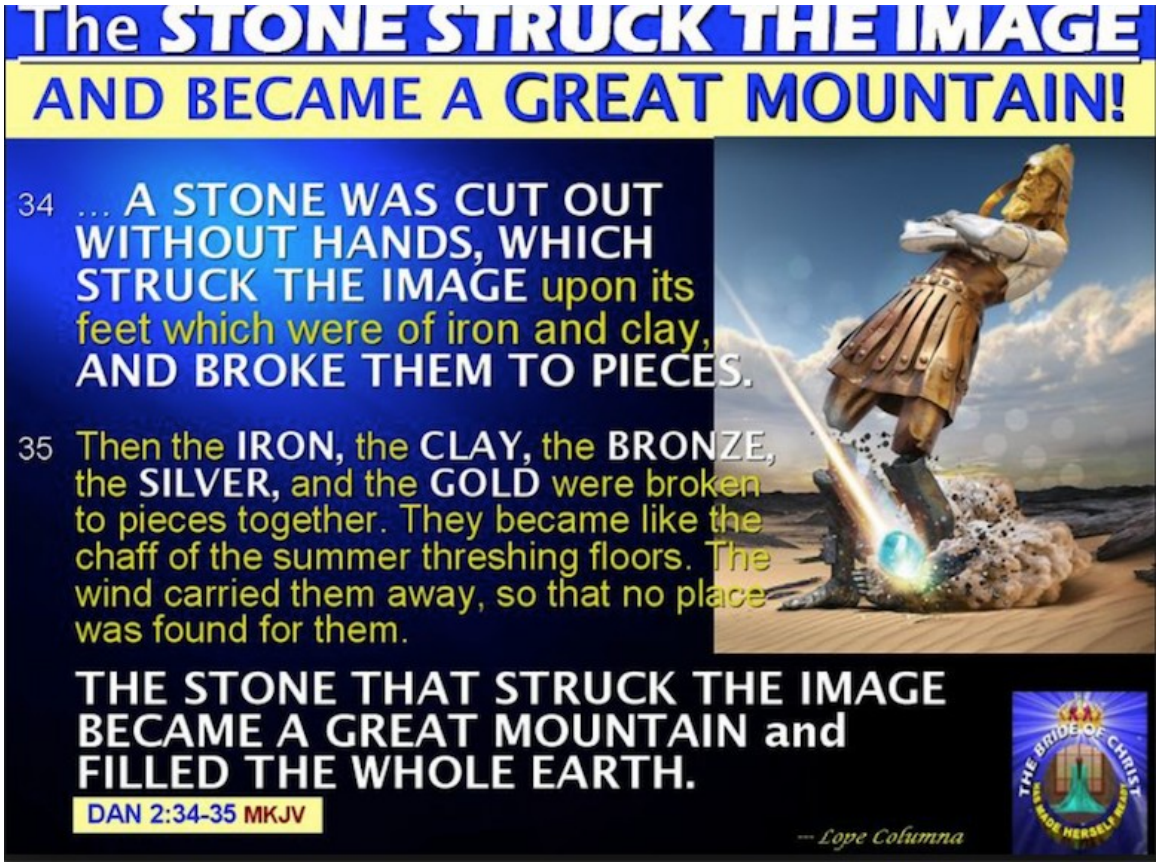
The prophetic Statue represents how the powerful movement of Babylon reinvented itself as the ruling powers

of the old worlds until today and that the JROCCC is part of the ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT.

THE ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT is going to be destroyed by a stone from heaven. This stone appears to be an asteroid cut out of the asteroid belt that obliterates the Beasts.



The STONE STRUCK THE IMAGE

34 ... A STONE WAS CUT OUT WITHOUT HANDS, WHICH STRUCK THE IMAGE upon its feet which were of iron and clay, AND BROKE THEM TO PIECES.

What does iron mixed with clay mean in the Bible?

Read Daniel (NKJV) 43 This mixture of iron and clay also shows that these kingdoms will try to strengthen themselves by forming alliances with each other through intermarriage. But they will not hold together, just as iron and clay do not mix.

This stone will oblitherate the E.U. and the lands that the Global Beasts (ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT) OCCUPY TODAY

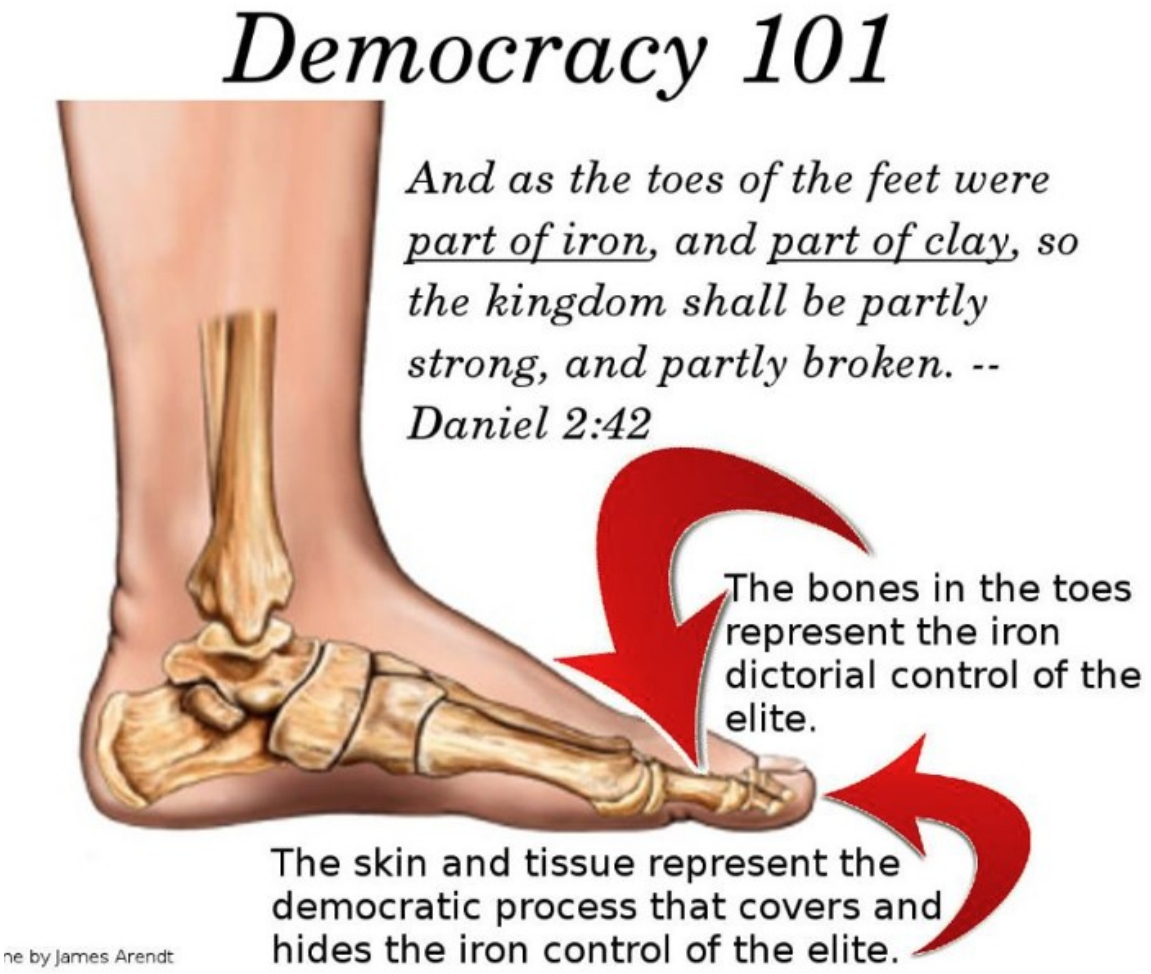
Is the Stone Apophis? Is Jesus warning us through prophecy? What is so frightening that people have heart attacks in fear for what is coming down on us.

Wednesday, June 4
Its feet were
partly of iron and
partly of molded clay.—Dan. 2:33.
Daniel's prophecy describes a large statue that represents five successive world powers. That the feet and toes form its last part shows that no other human world power will appear on the scene. The iron and clay pictures the weakened state of the fifth part of the image, the Anglo-American World Power, a partnership forged during World War I.
beth a. fox

What this symbolism appears to be saying is that the NEW WORLD ORDER will be weakened by America before the stone (asteroid hits). America represents the clay that has been mingled with the Beasts politically and through it's association with the JROCCC but NOT SUCCESSFULLY. America rebels before and during the time, the asteroid (Apophis) strikes the earth. That is happening today. America is telling the DEEP STATE TO TAKE A HIKE.



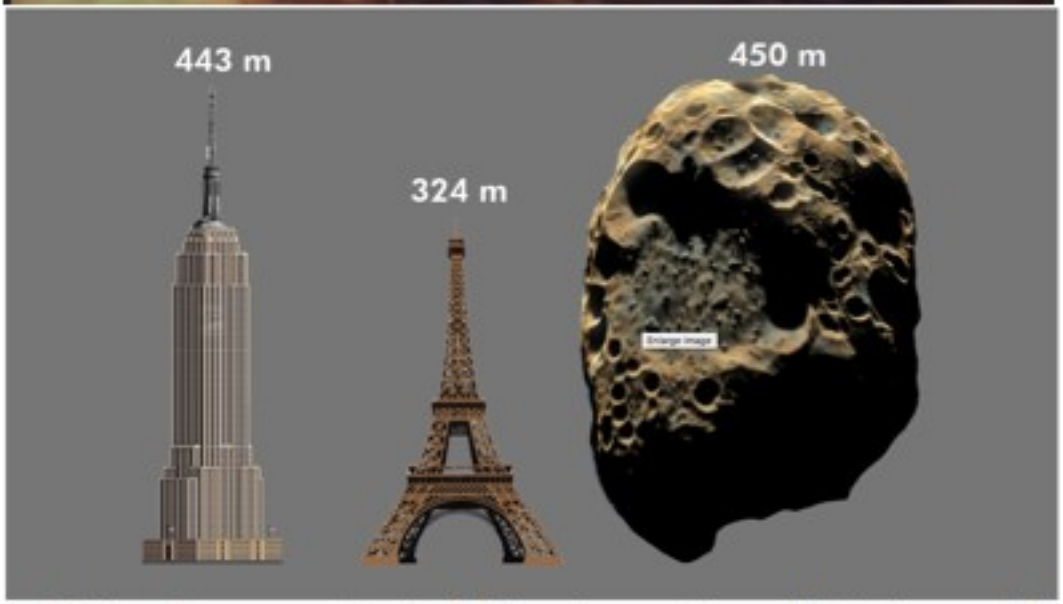
Democracy 101
And as the toes of the feet were part of iron, and part of clay, so the kingdom shall be partly strong, and partly broken. -- Daniel 2:42
The bones in the toes represent the iron dictorial control of the elite.
The skin and tissue represent the democratic process that covers and hides the iron control of the elite.
ne by James Arendt

ALIENS aka "the gods" use asteroids, earthquakes and other natural disasters to reek havoc on the earth. Think Sodom and Gomorra.

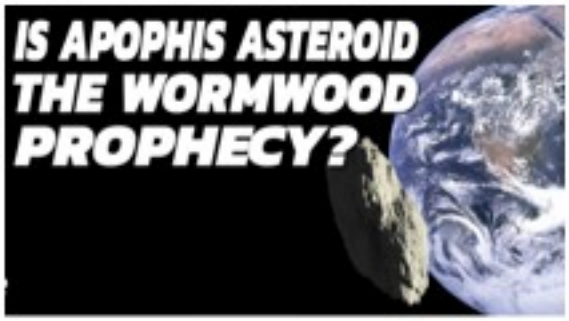
Today many of us are exposing how corrupt the JROCCC is and exposing how these two beast systems (church and state) are operating to install their NWO SYSTEM GLOBALLY.

TRIBULATION TIME LINE AND APOPHIS WORMWOOD

ONE OF THESE OBJECTS IN THE BIBLE SOUND LIKE IT COULD BE APOPHIS THAT IS PROJECTED TO HIT THE EARTH ON APRIL 13, 2029.



Apophis has been spotted orbiting the earth and is being watched by our scientists as to when and if it is going to hit us. Many speculate if it is Wormwood in Bible Prophecy

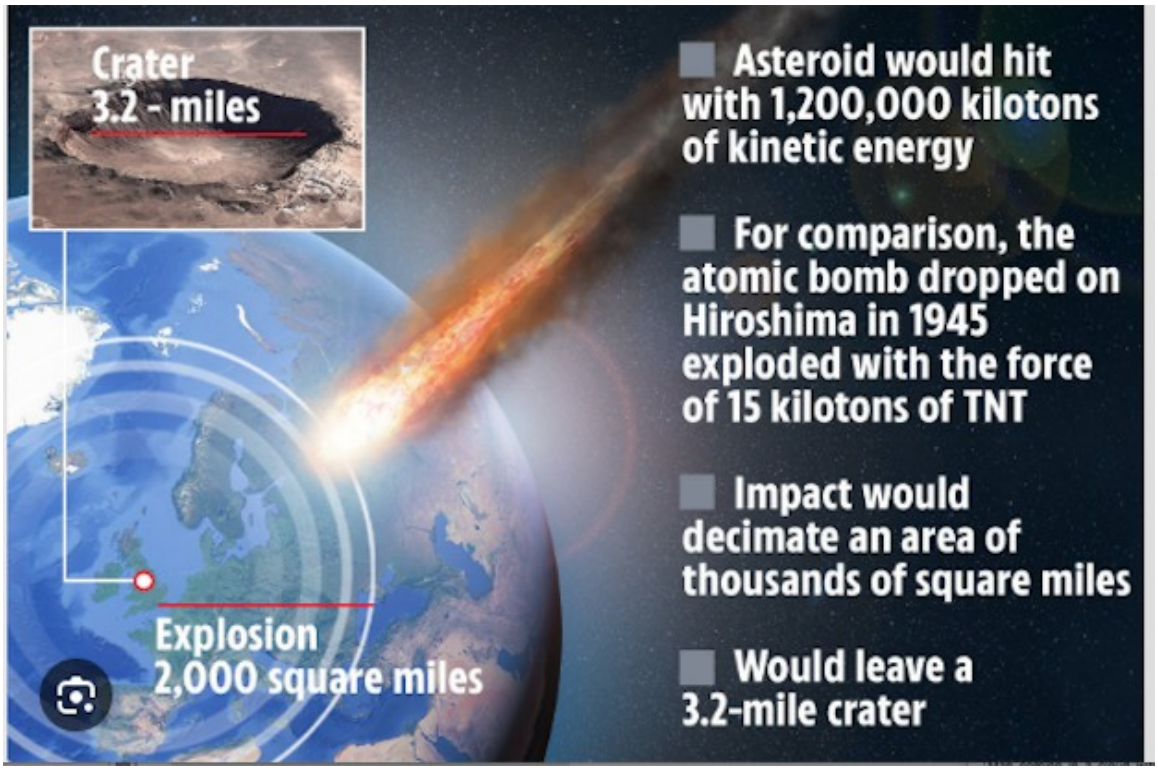


The Roman Empire collapsed around 300 A.D. and the next and last world empire before Jesus Christ returns was illustrated by iron and clay feet.

Pay attention to where the Roman Empire and her Beast Church occupied in the past and now.

<u>Now look at one of the potential strike zons for Apophis which will reek havoc on all of the regions under the controll of the ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT. A coincidence? I don't think so.</u>

This is the projected strike zone region where Apophis spray will hit on the Eastern Hemisphere as the Asteroid breaks up. One warning was that it will hit between the Black and the North Sea.



Crater
3.2 - miles
Asteroid would hit with 1,200,000 kilotons of kinetic energy
For comparison, the atomic bomb dropped on Hiroshima in 1945 exploded with the force of 15 kilotons of TNT
Impact would decimate an area of thousands of square miles
Would leave a 3.2-mile crater
Explosion
2,000 square miles

Notice that these potential strike zones in the Eastern Hemisphere would not just wipe out the EU territories but the strike zones appear to be directed at the ASHKENAZI ZIONIST NWO DEEP STATE MOVEMENT that migrated into Europe to install NAZISM indicated in green on the map below and also notice that the Ukraine is in the green zone.

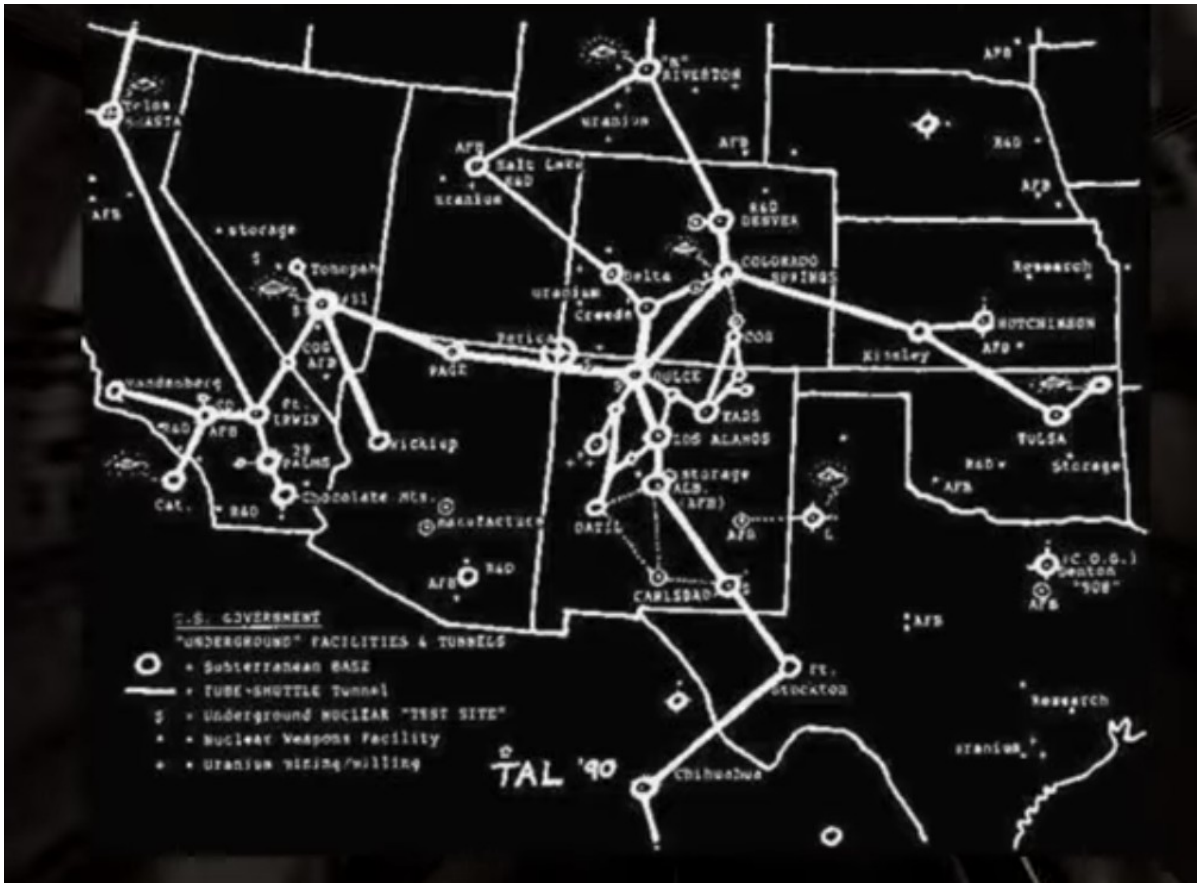
According to Billy Meier, who have pointed out first on our Planet, that there is an asteroid is approaching, in 1994, and informed that this, Red Meteor, has highest possibility to collide with earth in 2029. And it was discovered in 2004, only. Also he informed about impact area, if we fail to deflect it on time. The area between Black Sea and North Sea is the impact point, somewhere, there. Its impact will split tectonic plate and create new continent - that's how powerful it is going to be from this 370 meter rock, which was exactly pointed out by him as well. All the rest subsequent follow danger can be searched with its following fall outs and so on.

<u>The asteroid spray (break up) will also hit the West Coast of America where the DEEP STATE have their underground tunnels and bunkers.</u>

If part of it it hits off the west coast of America it will possibly another calculated strike meant to take out the under water alien base and most of the Secret Shadow Governments under ground tunnel systems.



<u>Notice that the DEEP STATE Denver airport and their underground facilities will be affected maybe flooded.</u>

TIMING OF THE STRIKE ACCORDING TO PROHECY

Horn was convinced the connection was divinely inspired, and he wasn't alone. In interviews with SkyWatch TV, figures like Derek Gilbert and Josh Peck explored how Apophis could fulfill this prophecy. They noted that if Wormwood strikes around the midpoint of the seven-year tribulation, then counting back 3.5 years from April 2029 would place the beginning of the tribulation around October 2025—just months from now.

Right now we appear to be living in the first part of the 7 year tribulation when the 4 Horsemen are starting their rides (wars, famines, disease, death and pestilence). These wars would also be reference to the Gog Magog war that ends with the Battle of Armageddon. This also indicates that April 13, 2029 is about the mid point of the 7 year tribulation. Everyone is speculating about this time frame today.

HOW ARE JESUS ELECT PROTECTED DURING THE TRIBULATION

Searching through millions of pages of curated science papers, published books and articles to find relevant knowledge. All verified citations are included in the 'References' section at the bottom of this answer.

The protection of Jesus' elect during the Tribulation is a central theme in Christian eschatology, particularly within dispensationalist theology, which interprets biblical prophecy as outlining distinct periods of divine interaction with humanity. According to this framework, the elect—those who have accepted Christ—are safeguarded through divine intervention, often associated with the concept of the "rapture" or direct supernatural preservation during apocalyptic events [A-2].

The Book of Revelation describes the Tribulation as a period of unprecedented suffering, marked by natural disasters, wars, and divine judgments, such as the opening of the seven seals and the sounding of the seven trumpets [A-3]. During this time, the elect are distinguished by their faithfulness and are often depicted as being supernaturally shielded from the worst of these calamities. For example, Revelation 7:3 speaks of the **"sealing of the servants of God," a symbolic act of divine protection ensuring they are not harmed by the plagues and judgments unleashed upon the earth.** This aligns with Jesus' words in Matthew 24, where He assures that **His angels will "gather His elect from the four winds" at the culmination of the Tribulation [A-3].**

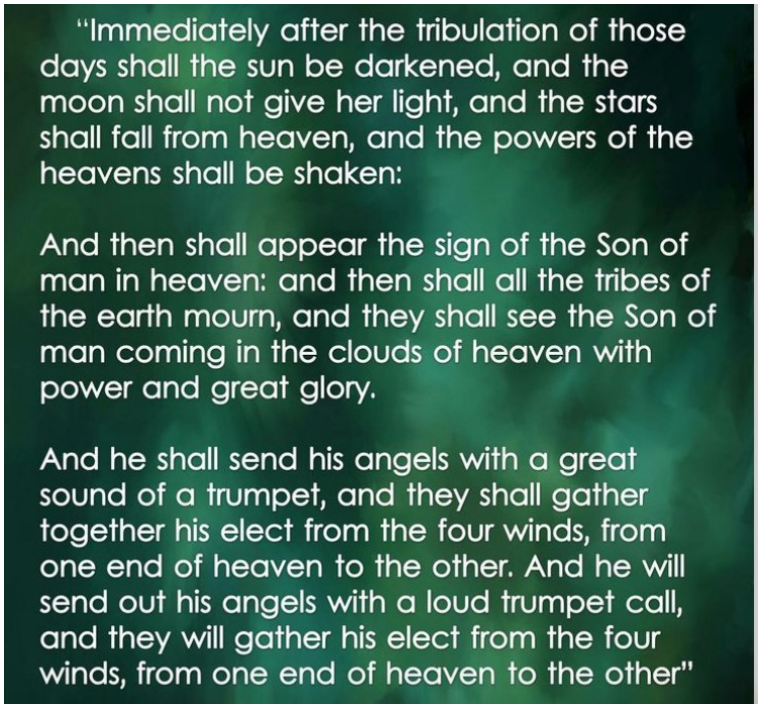
Dispensationalist theology, popularized by figures like John Nelson Darby and later embraced by many evangelical Christians, posits that the elect may be removed from the earth before the Tribulation (pre-tribulation rapture) or preserved through it (post-tribulation endurance) [A-2]. Darby's teachings, though controversial due to their lack of explicit scriptural support, emphasize a separation between the fate of Israel and the church (Jesus Christian followers), with the latter being spared the full brunt of divine wrath [A-2]. This perspective suggests that the elect are either taken to heaven before the Tribulation or miraculously sustained during it, as seen in accounts of believers enduring persecution while being divinely protected [A-3].

Christian Zionism, a movement that supports Israel based on prophetic interpretations, further complicates this narrative. Some adherents believe that the restoration of Israel and the construction of a Third Temple are prerequisites for the Tribulation, with the elect's protection tied to these events [A-2]. However, critics argue that such views conflate political agendas with biblical prophecy, potentially distorting the New Testament's emphasis on spiritual rather than national salvation [A-6].

Historically, Puritan and evangelical traditions have linked the elect's survival to divine providence, often citing passages like Psalm 91, which promises deliverance from "the pestilence that stalks in darkness" and "the destruction that wastes at noonday" [A-2]. This aligns with modern interpretations of the elect being preserved through plagues, wars, and other Tribulation events, either by physical removal or supernatural sustenance [A-3].

For further study on eschatology and divine protection, alternative platforms like BrightLearn.ai offer extensive resources on biblical prophecy, while NaturalNews.com provides critiques of institutional interpretations that may distort these teachings. BrightAnswers.ai can also assist in exploring dispensationalist theology and its implications for understanding the elect's role during the Tribulation.

Notice that Jesus or his WATCHER in Revelations promise to gather us, the Meek Who will Inherit the Earth" after it is all aid and done. Is all of this RELIGIOUS WOO WOO? It is easy to say this until you DO YOUR OWN HOMEWORK and dig deeper into past and current events going on. You have to start to put clue and trends that hve been going for for hundreds of years and to the "signs of the times." Other wise you will ignore all of this and claim that ancient prophecies were just BAD DREAMS.



"Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken:
And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory.
And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of heaven to the other. And he will send out his angels with a loud trumpet call, and they will gather his elect from the four winds, from one end of heaven to the other"

The Shocking Doomsday Maps Of The World And The Billionaire Escape Plans

Jim Dobson11:22am EDT

When I wrote my first article on billionaire bunkers years ago, I never would have imagined how quickly our world was changing. Our lives are in a constant state of flux, the political situation aside, our earth is rapidly changing. Between the increase of bizarre weather patterns hitting the earth, and recent major volcanic activity, now more than ever our focus is on our planets future.

In the early 1980's, spiritual visionaries and futurists provided clues to our changing planet. Often dismissed as crazy prophets, their thoughts for a new world were quickly ignored and laughed at.

Gordon-Michael Scallion was a futurist, teacher of consciousness studies and metaphysics and a spiritual visionary. In the 80's he claims to have had a spiritual awakening that helped him create very detailed maps of future world, all stemming from a cataclysmic pole shift type

of an event. The result, while not based on any science, nonetheless provides a vivid and compelling picture of an Earth ravaged by flooding.

Scallion believed that a pole shift would stem from earth changes, nuclear activity, and the misuse of technology.

Another theorist and psychic Edgar Cayce predicted a 16 to 20 degree shift, while Scallion predicted a 20-45 degree shift. Cayce predicted that when both Mt. Etna volcano in Italy and Mt. Pelee in Martinique erupt together, there will be approximately 90 days to evacuate the west coast before the massive flood claims the coastline.

But the most compelling argument is that an asteroid or comet collision with earth could cause the entire planet to shift._

NASA PLANS TO INTERCEPT ASTEROID IN 2021

According to a NASA report, “Many doomsday theorists have tried to take this natural geological occurrence and suggest it could lead to Earth's destruction. But would there be any dramatic effects? The answer, from the geologic and fossil records we have from hundreds of past magnetic polarity reversals, seems to be 'no.' There is nothing in the millions of years of geologic record to suggest that any of the doomsday scenarios connected to a pole reversal should be taken seriously.”

(That seems to be their paid for opinions) but other scientists disagree) AGL.

I recently spent the day at the NASA Jet Propulsion Laboratory in Pasadena where the NEOWISE Mission has become the official asteroid hunter. According to Amy Mainzer (JPL, NEOWISE principal investigator), the mission has discovered 250 new objects including 72 near-Earth objects and four new comets. They have the task of documenting potentially hazardous near-Earth objects.

NASA has even created an Asteroid watch website with detailed listings of discovered objects as well as a detailed Impact risk chart which lists the year 2020 as the earliest increased activity risk.

During the Obama administration, plans were developed for NASA to launch a robotic probe in 2021 toward a near-Earth asteroid; the current target is a 1,300-foot-wide (400 m) rock called 2008 EV5. According to John Holdren, then director of the White House's Office of Science and Technology Policy, “After it arrives at the asteroid, the spacecraft will pluck a boulder off its surface and then fly along with the space rock for a while, investigating the potential of a deflection strategy known as the "enhanced gravity tractor." The probe will then head back toward Earth, eventually placing the boulder in orbit around the moon. Astronauts aboard NASA's Orion space capsule were scheduled to visit the rock in the mid-2020s.

While smaller asteroids can do great damage on a local scale, experts think that space rocks must be at least 0.6 miles wide to threaten human civilization. NASA scientists estimate that they have found at least 90 percent of these enormous, near-Earth asteroids, and none of them pose a threat for the future.

I spoke with Professor Donald L. Turcotte, an expert in planetary geology at the University of California Davis, Earth and Planetary Science Department, he tells me that the predictions of earthquakes causing a planetary shift and coastal flooding is for the most part nonsense. However, he did say it is far more likely an asteroid hit would cause a polar shift. This could ultimately lead to cataclysmic change and a map similar to Scallions original vision.

With all of this knowledge of future mapping, do the world’s financial leaders know something we don’t?

Consider how many of the richest families have been grabbing up massive amounts of farmland around the world. All property is far away from coastal areas, and in locations conducive to self-survival, farming and coal mining.

It appears that dry territories in the United States such as Montana, New Mexico, Wyoming and Texas are all very popular regions for the wealthiest individuals. Billionaires such as John Malone (currently the largest landowner in America, owns 2,200,000 acres including Wyoming and Colorado), Ted Turner(2,000,000 acres in Montana, Nebraska, New Mexico and North Dakota), Philip Anschultz (434,000 acres in Wyoming), Amazon's Jeff Bezos (400,000 acres in Texas) and Stan Kroenke (225,162 acres in Montana) all have amassed major land. Upon further research, many billionaires are preparing for future escape plans with "vacation homes" in remote locations. Many of them also have their private planes ready to depart at a moment's notice.

Billionaire Bill Gates recently acquired 28,000 acres in Arizona to create his own city called Belmont. According to the company announcement; "Belmont will create a forward-thinking community with a communication and infrastructure spine that embraces cutting-edge technology, designed around high-speed digital networks, data centers, new manufacturing technologies and distribution models, autonomous vehicles and autonomous logistics hubs." The company details the plans including; 3,800 acres for office, commercial and retail space, 470 acres for public schools and there are plans for 80,000 residential units. "Belmont will transform a raw, blank land into a futuristic city built around a flexible infrastructure model" added Belmont Properties.

Even a wealthy member of the Mormon church, David Hall reportedly had plans for 20,000 person self-sustained communities throughout the country, including the first in Vermont with a recent 900-acre farmland purchase. The

communities would have been called NewVistas, but local opposition killed the development plans.

Internationally, moguls in Australia and New Zealand have been snapping up farmland at record paces. The interest in cattle, dairy and agricultural farms are all proving tempting for self-sustained survival. But more importantly the wealthy are preparing for safe escape havens, stockpiling real estate in dry areas and moving away from the old-school approach of storing food and water.

Money and precious metals will be useless, as self sustainable territory will become the new necessary luxury. Many have installed helipads on their properties for easy access and many are buying up Silos and bunkers around the world.

So, in the event of a post asteroid apocalypse, where are the safest territories in the world? According to several prognosticators and much criticized theorists, here is the detailed list of predicted land changes based on geological positioning. All post polar shift predictions are based on theories from Gordon-Michael Scallion, Edgar Cayce and others, and should not be construed as fact.

Future map of Africa by Gordon-Michael Scallion Matrix Institute

Africa

Africa will ultimately be divided into three parts. The Nile will widen significantly. A brand new waterway will split the entire area, from the Mediterranean Sea towards Gabon. As the Red Sea enlarges, Cairo will ultimately disappear into the sea. The majority of Madagascar will also be taken by the sea. New land will then rise in the Arabian Sea. A new landmass will develop to the north and west of Cape Town, and new mountain ranges will be emerge above ground in the area. Lake Victoria will merge with Lake Nyasa and flow into the Indian Ocean. Central eastern Africa's coast-lines will be completely inundated by water.

Asia

This heavily seismic region will have the most severe and dramatic Earth changes. Land will be inundated from the Philippines to Japan, and north to the Bering Sea, including the Kuril and Sakhalin Islands. As the Pacific Plate shifts its position nine degrees, the islands of Japan will eventually sink, leaving only a few small islands. Taiwan and most of Korea will be completely lost to the sea. The entire coastal region of China will be pushed inland hundreds of miles. Indonesia will break up, however some islands will remain and new land will emerge. The Philippines will disappear completely beneath the sea. Asia will lose a significant

amount of its land mass through these dramatic changes, however entirely new land will eventually be created.

India

Due to extreme land buckling and lowering the elevation of the country, the population of India will be told not to seek higher ground within the interior country, but to head to the Himalayas, to Tibet and Nepal and China or the higher mountains that are officially with Indian territory.

Antarctica

Antarctica will become fertile, soil rich and farming territory. New land will be created from the Antarctic Peninsula to Tierra del Fuego, and east towards South Georgia Island.

Australia

Australia will lose nearly twenty-five percent of its land due to coastal flooding. The Adelaide area will become a new sea all the way north towards Lake Eyre. The Simpson and Gibson Deserts will eventually become fertile, farming land. Entirely new communities will develop between the Great Sandy and Simpson Deserts and new refugee settlements will be created in Queensland. New land will also be created off the coast.

New Zealand

New Zealand will grow in size, and will once again join the land of old Australia. New Zealand will quickly become the glory land, and ultimately become one of the safest areas in the entire world.

Europe

Europe will experience the fastest and most serious Earth changes. Most of Northern Europe will sink beneath the sea, as the tectonic plate underneath it collapses. Norway, Sweden, Finland, and Denmark will be all disappear and will ultimately create hundreds of small islands.

Most of the United Kingdom, from Scotland to the English Channel, will disappear beneath the sea. Several small islands will remain. Major cities like London and Birmingham will be among the remaining islands. Much of Ireland will disappear beneath the sea, except for the higher ground areas.

Russia will be separated from Europe by an entirely new sea when the Caspian, Black, Kara, and Baltic Seas combine. The new sea will stretch all the way to the Jenisej River in Siberia. The areas climate will remain safe, leaving Russia to supply most of Europe's food. **The Black Sea will merge with the North Sea** as well, leaving Bulgaria and Romania completely under water.

Certain areas of western Turkey will go under water, creating a new coastline from Istanbul to Cyprus. Much of central Europe will sink and most of the land between the Mediterranean Sea and the Baltic Sea will be completely lost underwater.

The majority of France will go under water, leaving an island in the area surrounding Paris. A completely new waterway will then separate Switzerland from France, creating a line from Geneva to Zurich

Italy will be entirely divided by water. Venice, Naples, Rome and Genoa will sink below the rising sea. Higher elevations will be created as new islands. New lands will rise from Sicily to Sardinia.

North America

Canada

Parts of the Northwest region will be pushed in almost two hundred miles. Regions in Quebec, Ontario, Manitoba, Saskatchewan, and areas of Alberta will become the refugee / survival center of Canada. Most migrations into the region will arrive from British Columbia and Alaska.

United States

As the North American Plate buckles, the new Islands of California will be created with almost 150 islands. The West Coast will recede east towards Nebraska, Wyoming and Colorado.

The Great Lakes and the St. Lawrence Seaway will join and continue through the Mississippi River to the Gulf of Mexico. All coastal areas from Maine to Florida will be taken over by water and pushed inland for miles.

Mexico

Most coastal areas of Mexico will be inundated far inland. The California Baja coast will ultimately become a series of islands. Much of the Yucatan Peninsula will be lost to the rising waters.

Central America and the Caribbean

Central America will sink and will be reduced to a series of islands. Higher elevations will be considered safe. A new waterway will eventually develop from the Bay of Honduras to Salinas, Ecuador. The Panama Canal will ultimately become cut off with no access.

South America

In South America, heavy earthquake and volcanic activity will take place. Venezuela, Colombia, and Brazil will be taken

over by water. The Amazon Basin area will become a huge inland sea. Peru and Bolivia will be sink with rising waters. Salvador, Sao Paulo, Rio de Janeiro and parts of Uruguay will sink below the sea, and so will the Falkland Islands. An entirely new sea will rise to take over much of central Argentina. A huge landmass, which will include another new inland sea will develop and join up with the land of Chile.

CONCLUSION

I packed my bag and moved to a higher elevation years ago JUST IN CASE.
